PETER LOVE - Selected Publications

most are available at www.loveenergyconsultants.com

Industrial Energy Efficiency as a Driver of Productivity. With Thorn Associates, Toronto, October 2026.

"Two Opposing Impacts of AI on Electricity". Love Energy Consultants, Toronto, June 2025.

"Key Issues, Trends, and Solutions Impacting Future Jobs in Cleantech". RSI Future of Work and Education, Toronto, June 2024.

Fundamentals of Energy Efficiency: Policy, Programs and Best Practices – 2nd Edition. Love Energy Consultants, Toronto, December 2022.

"Psychological Support for Five Strategies to Encourage Personal Action to Reduce Greenhouse Gas Emissions". Published in Fundamentals of Energy Efficiency: Policy, Programs and Best Practices – 2nd Edition. Love Energy Consultants, Toronto, December 2022.

"An Old Dog Learns New Tricks: Application of Social Psychology to Encourage Canadians to Conserve Energy". www.pivotgreen.ca 2021

"From Utility Demand Side Management to Low Carbon Transitions: Opportunities & Challenges for Energy Efficiency Governance in a New Era". With Mark Winfield, Brendan Hailey and James Gaede. Energy Research and Social Science, Vol 59, January 2020.

Unpacking the Climate Potential of Energy Efficiency. With Mark Winfield, Brendan Hailey and James Gaede. York University, January 2020.

"Historical Narrative of Natural Resources Canada's Office of Energy Efficiency Initiatives". Published in Fundamentals of Energy Efficiency: Policy, Programs and Best Practices – 2nd Edition. Love Energy Consultants, Toronto, December 2022.

"Jobs, Jobs, Jobs: The Human side of Energy Efficiency". With Cristian Hurtado. RSI Thought Leadership Report: Shaping the Future of Energy and Buildings, Summer 2019.

"All levels of government need to understand why science matters". With Reinhart Reithmeier. Toronto Star, Toronto, July 14, 2018

Fundamentals of Energy Efficiency: Policy, Programs and Best Practices. Love Energy Consultants, Toronto, May 2018.

"Past, Present and Future of Energy Conservation in Ontario". Energy Regulation Quarterly, May 2015.

"Teaching Energy Efficiency Policy at the Post-Secondary Level". York University, Sustainable Energy Initiative, September 2014.

"Enhancing Outcomes Through Energy Performance Contracts: Transferring the risks of hospital retrofits through EPCs". Canadian Healthcare Facilities, Summer 2013.

"Friendly Rivalry Underpins Toronto's Energy Challenge". Canadian Property Management, April 2013

World ESCO Outlook (Canadian Chapter). The Fairmont Press, Lilburn Ga., 2012

"Verifying Your Green Plan: Verifying your company's journey in its sustainability journey". Co-authored with Melanie Steiner, Building Strategies and Sustainability, Winter 2012

"The Worry-Free Way to Energy Retrofits: Transferring the technical and financial risks to energy service companies". Building Strategies and Sustainability, Winter 2012.

"The Green Plan: Harnessing the power of sustainability marketing and leadership". Co-authored with Yasmin Glanville and Bill Radcliffe, Business Strategies and Sustainability, Fall 2012

"Demand Response: An important component of electricity conservation". Building Strategies and Sustainability, Fall 2012.

"Implementing Sustainability: A step-by-step plan". Co-authored with Dr. James Gray-Donald, Building Strategies and Sustainability, Summer 2012.

"It's Not so Hard Being Green: Energy, Climate Change and the Responsibilities of Directors". Director: The Journal of the Institute of Corporate Directors, March 2012.

"Great Saves: Seven projects prove retrofits are far less daunting when the energy efficiency contract is tied to successful performance". Alternatives Journal, Spring 2012.

"Green Buildings in China". Building Strategies & Sustainability, Spring, 2012.

"Program Development: Developing your company's sustainability journey". (co-authored with Yasmin Glanville) Building Strategies & Sustainability, Spring 2012.

"Water is Liquid Electricity". Sustainable Builder Magazine, Fall 2011

"Building Code and Voluntary Programs Make Ontario New Home Builders Leaders in Energy Efficiency". Sustainable Builder Magazine, Special Issue, Fall 2011.

"No Cost Retrofits in the MUSH Sector". Sustainable Builder magazine, Summer 2011.

"Growing Calls for Zero Energy Homes". Sustainable Builder Magazine, Spring 2011.

"Taking the Risks out of Retrofits". Sustainable Builder Magazine, Winter 2010.

<u>The Application of the Merton Rule to the Town of East Gwillimbury and the Ontario Context.</u> Town of East Gwillimbury, September, 2010-11-04

"An Energy Plan for a Growing Community" (coauthored with Dan Stone). Sustainable Builder Magazine, Fall 2010.

"Creating a Culture of Conservation in Ontario: Approaches, Challenges and Opportunities" (coauthored with Steven Norrie). IEEE Power and Energy Society, July 2009.

"Conservation Zone: New Year's Resolutions to shed extra kilowatts". Published in over 100 papers across Ontario, December 2008.

"Conservation Zone: Ontario's long tradition of Christmas lights gets an energy efficient makeover". Published in over 100 papers across Ontario, December 2008.

"Conservation Zone: Compact fluorescents light the way to a brighter future in Ontario". Published in over 100 papers across Ontario, December 2008.

"Conservation Zone: Phantoms are Afoot in Ontario!". Published in over 100 papers across Ontario, November 2008.

"Conservation Zone: Ontarians are changing the culture of electricity conservation". Published in over 100 papers across Ontario, November 2008.

Be the Change to a Culture of Conservation. 2008 Annual Report of the Chief Energy Conservation Officer, Ontario Power Authority, November 2008.

"The Importance of Leadership in Green Buildings". Builder/Architect Green Building Magazine, Fall 2008.

Taking Action – Supplement: Conservation Results 2005-2007. Report of the Chief Energy Conservation Officer, Ontario Power Authority, June 2008.

"Electricity System and Conservation in Ontario". Managing Residential Electricity Demand Workshop, Oxford University, UK, May 21-23, 2008.

"The Importance and Benefits of Leadership in Conservation". Builder/Architect Green Building Magazine, Spring, 2008.

"Every Kilowatt Counts: Taking Action on Electricity Conservation". Corporate Knights Magazine, January 2008.

Taking Action. 2007 Annual Report of the Chief Energy Conservation Officer, Ontario Power Authority, November 2007.

Ontario – A New Era in Electricity Conservation – Supplement: Conservation Results 2006. Report of the Chief Energy Conservation Officer, Ontario Power Authority, May 2007.

Ontario – A New Era in Electricity Conservation. 2006 Annual Report of the Chief Energy Conservation Officer, Ontario Power Authority, November 2006.

"Climate Change, Muskoka and You". Muskoka Lakes Association Yearbook, May 2006.

Our Conservation Challenge. 2005 Annual Report of the Chief Energy Conservation Officer, Ontario Power Authority, November 2005.

Potential for Cogeneration in Ontario (Chapter on stakeholder consultations). Ontario Ministry of Energy and the Environment, August 2000.

Environmental Protection in a Competitive Electricity Market in Ontario. Pollution Probe, May 1999.

"Submission to the Advisory Committee on Competition in Ontario's Electricity System". Canadian Energy Efficiency Alliance, January 1996.

Energy Alternatives (Chapters on energy efficiency and biomass energy). Special Committee on Alternative Energy and Oil Substitution, Parliament of Canada, May 1981.

Projected Penetration of Residential and Commercial Heat Pumps in Ontario. Ontario Ministry of Energy, August 1980.

Biomass Energy in Canada: Its Potential Contribution to Future Energy Supply. Department of Energy, Mines and Resources, March 1980.

Waste Paper Recycling: Opportunities for Government Action. Department of the Environment, November 1978.

Tree Power: An Assessment of the Energy Potential of Forest Biomass in Canada. Department of Energy, Mines and Resources, 1978.

Net Energy Savings from Solid Waste Management Options. Department of the Environment, November 1976.

Recycling: Identifying the Barriers – Background Report # 1 Composition and Quantity: A Critical Evaluation of Existing Data. Pollution Probe, 1976.

The Garbage Book: How to Save Energy and Money by throwing Out Less. Department of Energy, Mines and Resources, June 1976.

"Preliminary Submission to the Ontario Solid Waste Task Force". Pollution Probe, November 1972.
